Dear Members,

Further to our E-mail of 6th April 2021, we are now enclosing herewith orders of District Collector Pune and Commissioner PMC - both dated 9th April 2021.

With regards to sub point 15 (i) of earlier Orders of GOM dated 4th April 2021 and PMC Commissioner's order dated 5th April 2021 regarding compulsory RTPCR tests for the employees working in manufacturing sector, the revised orders permit conducting Rapid Antigen Test (in place of RTPCR test). The test results for said test will be valid for 15 days.

The revised orders definitely bring some relief to manufacturing sector.

(We are also enclosing the orders of Principal Secretary- GOM dated 9th April 21 which is also on similar lines with regards to earlier notified compulsory RTPCR testing).

Members are requested to go through the revised orders.
