'DCCIA Pune is founded on seven basic pillars. These pillars enshrine principles based on universal tenets that have helped man and nature to live in harmony. When practiced they have enabled Productivity, Peace and Prosperity and have prevented disintegration as well as destruction. The 'pillars' are the fundamental life forces with timeless validity. We are proud to state that the principles so enshrined have been implemented through various activities of DCCIA Pune. At DCCIA Pune integrated action is thus the focal word.

## KNOW YOUR CHAIRMAN

Mr. Rathin Sinha was born in state of West Bengal in 1950. He came to Poona in 1960 when his father relocated to Poona from Jamshedpur to start manufacture of well known 'PITTIE' brand of Drafting machines. He did first two years of schooling from the Bishops' School and later from J.N. Petit Technical High School, Poona. After high school he joined the science stream in Wadia College for a year. Thereafter he joined prestigious Indian Institute of Technology, Mumbai from where he obtained his B. Tech degree in Mechanical Engineering.

He is an avid reader and likes to travel. He has travelled all over Europe, China and South East Asia. He is passionate about design, be it product or process. He is also an inventor holding several patents to his credit.

Mr. Sinha started his career as entrepreneur, setting up a Press Shop named M/s Precision Pressing Manufactures and a Tool Room named M/s Pioneer Tool & Die Company in Bhosari Industrial Area, Pune in 1976. These companies are now major OEM suppliers to Bajaj and TVS group etc.

Presently he is the Managing Director of M/s San Stamping Pvt. Ltd., where they specialize in manufacture of spun parts from sheet metal for various application such as centrifugal separators, projectiles, liners, domes etc. made from diverse materials such as stainless steel, copper, aluminum, mild steel etc. They are OEM suppliers to multinational companies such as Alfa Laval, Tranter, Uni Klinger etc. and also to Ordnance Factories for defense purpose. Besides the above, they also export to OEM customers in Japan, USA, Italy, Germany, New Zealand, Australia etc.

Mr. Sinha is also founding Partner of Vastav Strategic Solutions LLP which provides consultancy to corporates in Strategic Planning, Legal, Financial, Operational, and IT related areas for manufacturing firms in the MSME Sector.

Apart from being an entrepreneur, Mr. Sinha is actively involved in social service since long. He was a member of Poona Round Table 65 for several years, twice as its President. He joined Rotary Club of Poona Downtown in 1993 and after holding various positions in the managing committee became President during the Centennial Year of Rotary in 2004-05. Through the Rotary Club he is associated with numerous CSR activities such as providing free prosthetic hand to victims of accidents who have lost a limb, providing oxygen concentrators for severely affected Covid patients free of cost etc. He is a founder member of Deccan Chamber of Commerce, Industry and Agriculture and has served as Hon. Secretary of the Chamber for many years.

His wife Subhra, actively supports him in his business. She is an artist who enjoys painting, knitting, embroidery, jewelry design and other handiwork. She has started an NGO named 'Hand-me-Up' where the objective is to help the environment by repurposing used and discarded fabric, wool and other such materials and at the same time provide a means of livelihood to weaker sections of society.

They have a daughter and son, both of whom are married and well settled. Daughter Deepali, has done her Doctorate in e-Waste Management from Switzerland and is currently Managing Director of the Indian operations of Swiss based Consulting Firm. Their son Tanmoy, has a B.E degree in Electronics and Telecommunications from MIT, Pune and also MBA from USA. ## OBITUARY

**MR. SURINDER AGGARWAL**

Dear Members,

With profound grief we convey the extremely sad news about passing away of Mr. Surinder Aggarwal - Treasurer DCCIA (MD. Care Pack Pvt Ltd) on 21st August 2021 after brief illness..

Right from inception of DCCIA, 27 years ago, Suren, as he was fondly called, he has been a pillar of strength for the Chamber. As a founder member, his contribution to growth of DCCIA has been enormous and we all owe a lot to him. The very first project undertaken by him was renovation of the dilapidated Police Station at Shikrapur. Such was his enthusiasm and conviction that he put the seed money from his own pocket and soon it became a model police station and became an inspiration for others to follow. Management of vehicular traffic on Pune Nagar road was also close to his heart. Over the years, he personally supervised the deployment of Traffic wardens at various pain points on the highway such as at Viman nagar, Wagholi, Lonikand, Shikrapur etc. As Treasurer of the Chamber, he worked tirelessly to ensure that the finances of the Chamber were always in good shape.

We at DCCIA will miss him immensely. For us it's a personal loss. He was a wonderful human being and a loyal friend. The void left by him can never be filled.

DCCIA expresses heartfelt grief and sympathy to his wife Promil, daughter Loveena and all members of the bereaved family. We pray that his soul rests in everlasting Peace. Om Shanti.

In sorrow,  
All Members of the Executive Committee - DCCIA, Pune

## MESSAGE

### FROM THE CHAIRMAN

Dear Fellow Members and Friends,

It is indeed with great humility that I write this first message to you as Chairman of Deccan Chamber of Commerce, Industries and Agriculture (DCCIA). Under the able leadership of Mr Dhoka, the immediate past chairman, the Chamber has scaled new heights. He will continue to be our guiding light in days ahead and I thank him for his unconditional support. Mr Rajiv Lokare has also stepped down as member of managing committee and we will miss his insightful thinking and exuberance.

It is with deep sorrow that I inform passing away of my Dear Friend & Colleague Mr. Suren Aggarwal after brief illness. He was the honorary treasurer of DCCIA and has done yomen service for the chamber and its development since inception. He shall always have a place in our heart and we shall miss his charming personality.

The past one year has been unprecedented in human history. The corona pandemic has taught us many valuable lessons. Firstly it has taught us to respect nature because tinkering with it can have tragic consequences. It has reminded us that though money can buy us many things, it cannot buy us good health. In the past one year, during lock down and after, your Chamber, has been in the forefront when it came to helping the needy. Be it by giving free cooked meals to migrant workmen, sanitiser and face masks for workmen in small scale industries, personal protective equipment to frontline health worker or safety equipment for police and other govt agencies the Chamber has been promptly responding to various requests emanating from its stake holders.

Right from inception, the objective of our chamber has been to provide its members a platform for tackling the myriad problems faced by it, jointly. These problems are for the most part, common in nature. Be it infrastructure issue of road quality, traffic congestion, public transport, or essential services such as water and electricity or regulatory issues such as Customs and GST or issues related to health and environment or to personal safety of your staff and workmen, your Chamber is always there to support you. I strongly believe in the maxim that 1 and 1 is 11 not 2. As a team we can achieve anything we set out to do.

I am extremely fortunate to be ably supported by an excellent managing committee comprising of stalwarts from the industry. I take this opportunity of introducing them to you.

Mr H.P.Srivastava - Vice Chairman - He hardly needs an introduction and has been a pillar of strength for the chamber.

His deep knowledge about all legal and govt. matter is well recognised. After a long stint with Oriental Rubber Industries Ltd. in India and overseas, he is now advisor to a group of companies.

Mr. Anil Gupta, Hon. Sec. - Plant Head of Bajaj Electricals Ltd, a large scale Indian multinational company.

Mr. Yogesh Vaghani - MD of Vedzen Institute

Mr. Vasudeo Malu - Vice President of Supreme Industries Ltd, overlooking all India operations.

Mr. Kamlesh Panchal - MD of Jaapan Manufacturing Company representing small scale sector.

Mr. Pandit Palande - MD of Kasturi Shikshan Sansthan College of Pharmacy and past Vice Chancellor of Bihar University representing the academia.

Mr. Norbert Koenig - CEO of Seco Tools Ltd. bringing an international representation to the Chamber

Mr. Mukul Varshney - Director of Corporate Affairs at John Deere Ltd, a large multinational company from USA

Mr. Sunil Gupta - President and MD of Kion India Pvt Ltd, a large multinational from Germany.

The Chamber proactively takes up all issues affecting the day to day operations of our member industries. Many of the problems need direct intervention of government agencies in order to have smooth resolution to the problems. We have established excellent relationship with agencies like Police, Electricity Board, Collector's Office, District Industries Centre, DGFT, Customs, GST etc. Do approach DCCIA office/staff for your needs. The staff comprising of Ms. Darshana - General Manager, Mr. Ritesh - Assistant Manager Business Development and Swati in Accounts are ever willing to help. Your active participation will be of immense value.

Finally I am reminded of what Management guru, Peter Drucker, once said about 'quality' in the service sector. I quote "It is not what you put in that determines quality of service, but what the the customer gets out from it."

Once again I wish you success in all your endeavours and let us move hand in hand for a brighter future.

Rathin Sinha  
Chairman

## MESSAGE

### FROM THE VICE CHAIRMAN

Dear Members,

I am indeed very pleased to place in your Hand the Annual Issue of our in house Magazine "Sparsh". Generally, the annual issue is published by the Chamber around Sept/ Oct coinciding it with our "Annual Award Function". However we could not publish the same in the year 2020 due to extra ordinary circumstances which turned the entire world upside down. In fact, we could not even publish our quarterly magazine "Saathi" during last over one year.

The break out of pandemic COVID – 19, around March 20, brought us face to face with challenges which we could have never thought even in our wildest dreams. As you must be aware that DCCIA was at the forefront in providing Covid Relief to migrant workers who bore the brunt of miseries in the initial phase of Lockdown. With the support of member Industries we also provided help to District Health Centre and Hospitals. I take this opportunity to thank all our members who were part of these initiatives of Chamber.

In order to ensure smooth operation of member Industries during lock down and post lock down, DCCIA worked 24x7 and coordinated with concerned District Authorities almost on daily basis. Regular virtual meetings were conducted where HR Committee played a very meaningful role to provide clarity on various policy matters which affected the operation of member Industries. My felicitations and compliments to DCCIA Staff and HR Committee.

We are still grappling with the pandemic as the threat of third wave is looming large. We will like to assure you that, as always, DCCIA will stand with you in all the challenges which our members may face in this regard. DCCIA was the first Chamber to initiate the "Vaccination Drive" for the employees of member Industries at their work place as soon as the policy was announced by the Government around third week of May 21. In fact, we could start the vaccination by second week of June 21 with support of Rotary Club Pune downtown and Sahyadri Hospital. Till date – over 6000 employees of member Industries have been already vaccinated. I shall be failing in my duties if I don't acknowledge the support of Mr Asis Ray – President RCPD and Dr Ketan Apte – Director Sahyadri Hospital in making this drive successful. The drive is still in progress and in order to help those member Industries which are not equipped to have a "Vaccination Centre" at their premises, DCCIA has tied up with KEM Vadu. The vaccination of employees for such members is being done at the said Hospital. We are sure that that our drive will contribute immensely in getting the vaccination of entire work force on this Nagar Road Industrial belt.

In June 2021, Mr Rathin Sinha, current Hon Secretary DCCIA, took over as the Chairman of DCCIA as Mr Prakash Dhoka, current Chairman, resigned to pursue his spiritual goals. I also take this opportunity to express our sincere gratitude and thanks for the invaluable service and contribution made by Mr Dhoka during his stint first as member Executive Committee DCCIA and later as Chairman DCCIA, spanning over one and half decades. There are many milestones which would have never been achieved by DCCIA without his whole hearted support and guidance. Personally for me - it was an absolute honour and privilege to work with him!! His humility and service before self attitude, is evident in so many projects which he undertook (and continues to undertake) for the benefit of poor and under privileged. My best wishes to him in all his endeavours!!

Our another colleague Mr Rajeev Lokare too resigned from Executive Committee DCCIA since he retired as CEO – Classic Industries & Exports Limited on 30th June 2021. The Chamber benefitted immensely from his inputs and guidance on various matters. Our best wishes to him!!

As the religious festival of Ganesh Chaturthi & Krishna Janmashtmi are around the corner, I wish you and family all the very best.

Kind regards,

HP Srivastava

Vice Chairman

**MR. H. P. SRIVASTAVA**  
Vice Chairman, DCCIA

## WEBINAR WITH SENIOR OFFICIALS OF MSEDCL

The following officials from DCCIA & MSEDCL were present for the meeting (Zoom Meeting) on 9th December 2020

- |                                |                                 |
|--------------------------------|---------------------------------|
| 1. Mr. Prakash Dhoka           | (Chairman - DCCIA)              |
| 2. Mr. Hari Prakash Srivastava | (Vice-Chairman - DCCIA)         |
| 3. Mr. Sunil Pawade            | Chief Engineer MSEDCL Baramati) |
| 4. Mr. Chandrashekar Patil     | (Supretendent Engineer MSEDCL)  |
| 5. Mr. Rajendra Yedke          | (Executive Engineer MSEDCL)     |
| 6. Mr. Nitin Mahajan           | (Dy. Executive Engineer MSEDCL) |
| 7. Ms. Darshana Ahirekar       | (Business Development Manager)  |

Mr. HP Srivastava, Vice-Chairman, DCCIA in his welcome address highlighted various issues such as availability of Power on Thursday (which is weekly Off), advance intimation to industries about abrupt Power shut down, Response time in case of any breakdown etc and stressed the point that un announced power cuts affect the industries in a big way as it leads to loss of semi-finished goods and quality problems. He further requested the present dignitaries to take initiative to solve these problems as on priority.

Mr. Sunil Pawade Chief Engineer – MSEDCL, Baramati, in his address, extended a warm welcome all participants. He also thanked DCCIA for organizing this meeting. He further confirmed that power is available on all Thursday in the Nagar road industrial belt & Thursday is not a weekly off day for power supply. Industries may accordingly plan their production on Thursday as well. Mr. Sunil Pawade also appreciated the concern regarding advance intimation of power shutdown due to any technical problems. He issued the instructions to Mr. Patil, Mr. Yedke, & Mr. Mahajan to form feeder wise WhatsApp groups of industrial consumers. Any information relating to a power including any unplanned, shutdown etc should be promptly communicated on the whatsapp groups, he further added. Mr. HP Srivastava requested that DCCIA officials namely Ms. Darshana & Mr. Ritesh should be also included in each group for better coordination between member industries & MSEDCL, in each WhatsApp group. Mr. Sunil Pawade thereafter requested Mr. Patil to make a presentation on the various initiatives being taken by MSEDCL for improving the infrastructure in this industrial belt. Mr. Patil then made a detailed presentation on the same.

Mr. Prakash Dhoka, Chairman, DCCIA suggested that there should be special basket of such consumers who are paying electricity bills of more than 50 lakhs. The complaints & problems from such consumers be attended on priority. Mr. Pawade replied that they already have a segregated list of such consumers. However for them all consumers are same and they are committed to provide high quality services to all the consumers. Mr. Pawade then appealed all participants to pay their power bill promptly and help MSEDCL in rendering high quality services as they continuously need fund for improving the infra-structure. Mr. Prakash Dhoka, in his concluding addresses proposed, vote of thanks to Mr. Sunil Pawade and all his colleagues from MSEDCL for sparing their valuable time for the meeting. He specially appreciated the services rendered by Mr. Mahajan and his team on Nagar road. The better communication between industries and MSEDCL is the key for solving many problems and efforts should be made in this direction, he added. He also thanked all participants who joined the meeting.

The prohibition on employing contract workers in core areas and what will constitute core areas are extremely significant for the industries and requires detailed discussions.

Adv. Aditya Joshi gave a detailed presentation on the various provisions of new code specially the key areas such as payment of wages, Experience Certificate, Prohibition Of Employment Of contract Labour in core areas, Inter State Migrant Workers, Displacement Allowances, Past Liabilities, etc.

Adv. Mukund Kulkarni elaborately compared the various provisions of Factories Act 1948 as well as other Acts which are being amalgamated with the provisions of newly introduced OSH & WC Code. He specifically discussed the definitions of Skilled & unskilled workers, Establishment of trade, Industry, Business, Wages and provisions relating to Commencement & Cessation of Operation, Plan Approval & Licensing of Factory etc. The power point presentation given by Advocate Kulkarni is also enclosed.

Mr. Mukund Jagirdar – Chairman - DCCIA H.R committee moderated the workshop and panel discussion. More than 76 delegates from the Industries actively participated in the event.
