Dear DCCIA Members,

Subject: - NEW MEMBERS OF DCCIA

It's our pleasure to introduce the newly inducted members of DCCIA.

Renata Mechatronics Pvt. Ltd.:-

Renata Mechatronics Pvt. Ltd are the manufactures of Metal Stamped parts and Metal-Plastic hybrid parts having their plant at **Global Industrial Park in Fulgaon**. They also design and manufacture all tools in house to ensure part quality and reliability. They are relentless in their pursuit of upgrading their technology to best meet global standards to serve our customers. They aim to offer best in class parts at competitive prices.

Kalyani Powertrain Limited: -

Kalyani Powertrain Ltd., was formed, initially as a separate business division under 'Bharat Forge DNA' but then spun off as a separate company in Apr 2021, with the objective of providing solutions for the 'Electrification' of vehicles having their plant at **Chakan Industrial area**. Today, they have a formalized E-Mobility strategy keeping in mind the needs of both domestic and international customers. Over this period, Kalyani Powertrain Ltd. made significant investments to ensure continuous growth, both organically as well as inorganically, in order to develop expertise in sophisticated e-mobility technology.

Thanks & Regards.

For Deccan Chamber of Commerce Industries & Agriculture Pune.
