

Subject:- Eaton -OT Cyber security Summit 2024

Intelligent power management company, Eaton hosted an **OT Cybersecurity Summit 2024** in partnership with **Deccan Chamber of Commerce Industries & Agriculture (DCCIA), Pune** on **20th September 2024**.

Mr. H.P. Srivastava, Vice Chairman, DCCIA, in his key note address highlighted the importance of Operational Technology (OT) cybersecurity, by drawing an example from the recent incident of Israeli authorities using pagers and walkie-talkies to plant bombs to kill Hezbollah members in Lebanon.

Mr. Rajib Borkataki, Secretary, DCCIA – Committee for IT & related services, provided the vision of IT Committee for the DCCIA members to educate and spread awareness on topics of cybersecurity, digital transformation, and sustainability, and efforts of the committee to facilitate interaction and knowledge sharing between the DCCIA members (“solution seekers”) and solution providers (companies like Eaton), so that the members can take an informed decision about the partnership.

Mr. Pradeep Kumar SK, VP Engineering, Eaton, highlighted on how the use of Internet of Things in physical devices has made the access of technology so seamless, but at the same the need for organizations to understand the importance of securing these devices and system from all kinds of damages and threats, to protect the overall health of an organization.

Mr. Frank Vinay K, Manager, Product Cybersecurity, Eaton India Innovation Center spoke about how Eaton is always pursuing Security of Things to help their customers protect their OT/ICS operations from ever increasing Cyber threats.

The session concluded with **Mr. Prateek Singh, Lead, OT Cybersecurity Services**, sharing information about various services and solutions developed by Eaton for OT cybersecurity.

During the Q&A, most of the members thanked DCCIA and Eaton for hosting such a power-packed summit and requested for more such sessions.

More than 45 delegates from the industries actively participated in the program.

Warm Regards

Ritesh Kashid

Manager Administration & Business Development.
