

To,
All Member Industries of DCCIA Pune

SUBJECT: DCCIA Safety, Health, and Environment Committee Survey Questionnaire

Dear Members,

The DCCIA Safety, Health & Environment (SHE) Committee has been actively working to foster a culture of safety and promoting best practices across all member industries.

To better understand the challenges faced by our member industries in the realm of safety and risk management, the SHE Committee has developed a survey questionnaire. This initiative aims to gather valuable insights that will guide the committee in planning and implementing targeted sessions, seminars, and conferences to address these challenges effectively.

Your participation in this survey is crucial, as your feedback will help us tailor our initiatives to serve you better and support our collective goal of minimizing workplace accidents and enhancing safety standards.

We kindly request you to complete the survey and share your inputs at the earliest.

Thank you for your cooperation and commitment to a safer industrial environment.

Best regards,

Abhishek Sathe
