**Subject: Issues Faced by members supplying to PSUs on GeM Portal due to Supply Chain Disruption arising out of current West Asia Crisis**

Dear Members,

We wish to inform you that, in view of the ongoing volatile situation arising out of the West Asia crisis, several industries are experiencing significant supply chain disruptions. This has particularly impacted manufacturers and suppliers dealing with Public Sector Undertakings (PSUs) through the GeM (Government e-Marketplace) Portal.

In this regard, the Chamber intends to submit a detailed representation to the concerned authorities, highlighting the challenges faced by our members who are supplying to PSUs on GeM portal and requesting suitable relief measures to be taken by government including declaring the current situation as "Force Majeure"

You are hereby requested to kindly share your inputs on the following:

- Difficulties faced in execution of orders through GeM Portal i.e delays in executing the orders of PSUs due to supply chain disruptions.
- Unprecedented increase in Raw material costs due to logistics & other reasons thus rendering execution of the order unviable under current situation.
- Penalties (liquidated damages) , cancellations, or compliance issues arising from the current situation.
- Any other relevant concerns requiring immediate attention.

Members are requested to submit their inputs along with supporting details/documents, if any, on or before **Thursday, 16th April 2026** to enable us to compile and take up the matter effectively with the concerned authorities.

The consolidated representation will be submitted on **Friday, 17th April 2026**.

Your prompt response will greatly assist us in representing the matter strongly.

Thanking you.
