Subject:- NEW MEMBERS OF DCCIA, Pune.

Dear DCCIA Members,

It's our pleasure to introduce the newly inducted members of DCCIA.

1. GIANT LEAP SYSTEMS PRIVATE LIMITED: -

Giant Leap is a next generation Data Intelligence and Agentic-AI Engineering company located at Pashan Pune, helping enterprises cut through the AI clutter and evolve towards autonomous, adaptive and explainable intelligence. They enable their client's business by transforming processes, uncovering invaluable insights, and delivering efficiency and business value.

2. RAMCHANDRAN INTERNATIONAL INSTITUTE OF MANAGEMENT: -

Ramachandran International Institute of Management (RIIM), Pune is one of the leading and recognised Management Institutes of India. RIIM is Pune's 1st Corporate Style B-School. It was found under the able guidance of Visionary leader, Educator and First Generation Entrepreneur Mr. Suraj Sharma in the year 2014. RIIM was started with the vision to bridge the Industry- Academia gap by making the existing PGDM programmes more Practical, Industry relevant and Skill based. RIIM Pune is approved by AICTE New Delhi, Ministry of Education, Govt. of India.

3. NETTUR TECHNICAL TRAINING FOUNDATION: -

NETTUR is India's Leading Technical Training Institute located at Koregaon Bhima, Pune. Since 1959, NTTTF has been shaping future-ready professionals through hands-on industry-driven training and partnering closely with industries to support their talent needs and upskilling their workforce. Our programs empower learners with future-ready skills to thrive in the modern workforce and rise as industrial leaders.

4. MUKS ROBOTICS AI PVT LTD: -

Muks Robotics (**M**achine **U**nderstanding & **K**nowledge **S**ynthesis) is India's leading humanoid company located at Wakad Pune, building enterprise humanoids to solve labour shortages, automate dangerous and repetitive tasks, and enable humanity's expansion to Mars and beyond. Powered by FusionMax, our physical AI model, the Spaceo humanoids combine intelligence, autonomy, and precision to operate reliably in real-world environments.

5. SAHIR PROJECTS: -

Sahir Projects headquartered in Pune, India, is a trusted IT services company with over 25 years of expertise in delivering enterprise-grade software solutions. We are the parent company of **Configurator Solutions**, a globally recognized brand in **Configure-Price-Quote (CPQ)** software. Their focus is on custom software development, modernization, and support for enterprises worldwide. With deep expertise in Microsoft technologies and a proven track record, they help organizations streamline operations, integrate systems, and achieve digital transformation.

6. KLUG AVALON MECHATRONICS PRIVATE LIMITED: -

Klug Avalon Mechatronics Private Limited located at Hadapsar, Pune, founded in 2000 and based in Pune, India, is a leading manufacturer and exporter of crane safety systems, load sensors, and mechatronic solutions. The firm offers products like Safe Load Indicators, wind speed sensors, and limit switches for industrial lifting machinery, with a strong focus on engineering design.

Thanks & Regards.

HP Srivastava
