CIRCULAR No # 017/GEN/2026-27 **Date: 15/06/2026**

To,
All Member Industries of DCCIA

Subject: Ministry of Petroleum & Natural Gas – Diesel Control Order dated 11 June 2026

Dear Members,

Ministry of Petroleum & Natural Gas, Government of India, has issued a notification dated 11 June 2026 regarding regulation of diesel and petrol supply and distribution. The copy of the same is attached herewith.

Though the above notification permits the dispensation of HSD, not exceeding 200 Ltrs, in PESO approved containers by retail outlets (which resolves the problems of MSME members whose requirement is below 500 Ltrs), it also directs that Industrial, commercial and institutional consumers to procure their fuel requirements through authorized bulk supply arrangements instead of retail fuel stations.

Members, specially MSMEs having requirement of less than 500 Ltrs of HSD, are requested to revert in case they are facing any problems in procuring HSD for their manufacturing processes, generators, material handling equipment, transportation or other commercial purposes. DCCIA will then take up this matter with Ministry of Petroleum & Natural Gas.

With regards,

For Deccan Chamber of Commerce, Industries & Agriculture Pune
