

CIRCULAR No # 095/COVID

Date: 03.05.2020

**To,
All Member Industries of DCCIA Pune.**

Sub: Extension to Lockdown and Revised guidelines on the measures to be taken for containment of COVID-19 in the State.

Dear all,

I have just now finished my discussions with Mr. Survase, Jt. Director of Industries, Pune. The gist of my discussions are as under:-

1. Industries in Pune Rural area are allowed to operate from 4th May However, all such units will have to apply on portal which will be in operation around 8 pm today.
2. The units will be required to upload the details of Buses and employees. The passes for Bus and employees will be generated on line as this will be a dynamic portal. Movement of employees on two wheelers and four wheelers is allowed subject to restrictions.
3. No industry is allowed to operate in containment zone.
4. Companies cannot convey Employees from PMC/PCMC or from any containment zone. (If any new area is declared as containment zone, the permission given to Industry in this this area will stand cancelled)
5. The shift should be worked in such a way that the movement of employees doesn't take place between 7 pm to 7 am.
6. All current permissions for manufacturing essential goods shall continue. They are not required to obtain fresh permission. The procedure for increasing their man power, if they so desire will be shortly advised.

There is a zoom meeting with MCCIA at 5:30 on this subject.

DCCIA is trying to organise its zoom meeting at 1930 Hrs about which we shall shortly advise.

Thanks & regards
