Sub: Regarding operations of Industries in Pune Rural.

Dear all,

I had a detailed discussion with Mr. Survase a short while ago regarding operations of Industries in Pune Rural. He has clarified as under:-

1. The provisions of Bus passes and employee passes from portal are for are helping the Industries so that their employees don't face any problem while commuting to factory.
2. The factories can start without registering on portal. However, if they need passes for Bus/employees, they can get it by registering on portal.
3. Only restriction is on movement of employees from 7 pm to 7 am and that the Factory should not be in containment zone.
4. As regards movement of employees from PMC from the areas which are excluded from micro clusters (as per notification of PMC Commr), he will revert by evening.

Kind regards.
