Date: 10/06/2020

To,

All the Member Industries of DCCIA Pune.

Subject: Exclusion of Industries from General order of Containment zone in case of detection of 1 or 2 covid cases.

Dear members,

Further to our below email on the captioned subject.

Pursuant to our representation to District and State administration as well as strong media coverage by Indian express on 9th June 2020, the resident Collector of Pune issued directions on the 9th of June 2020 to Incident Commanders (SDO) to not to include industries in case of detection of 1 or 2 cases of Covid 19 in neighbouring villages/ societies.

The order has further directed that even in cases where one or two covid cases are detected at workplace/ Factories, the industry should not be closed.

The order further stipulates that if it's necessary for any containment zone order to include any Industries/establishment, the prior permission of Collector should be obtained.

This is a major relief to industries in Pune Rural areas and will help in bringing stability.

The order of resident Collector Pune is enclosed herewith for the reference of members.

The above direction of district administration was published on front page of Indian Express (Pune Edition) on 10th June 2020.

The news also includes the comments of DCCIA.

The above news clipping is also enclosed herewith for your reference.

Thanking You.

For Deccan Chamber Of Commerce Industries & Agriculture Pune.
