Subject: Communication received from Santoshkumar Deshmukh, SDO and Incident Commander Pune- Shirur

Dear Members

The below communication is received from Santoshkumar Deshmukh, SDO and Incident Commander Pune- Shirur. This is for your reference.

It is to inform you that, administration has planned a house to house survey in all the villages where more than 15 active patients are taking treatment. The first such survey is on 15.09.2020 and 16.09.2020 at Shikrapur. in order to find out all possible positive patients, we need to shut down the village for 2 days.....the employees from Shikrapur are not been able to join the duties on that day.

We have made a facility of Rapid Antigen Test for all the suspects at 7 different places in Shikrapur. Person found positive will be shifted to CCC or he will be home quarantined if arrangements at home suits to the requirements....

Next such survey will be at Shirur, Tardibachi Wadi, Ranjangaon, Sanaswadi, Koregaon Bhima and Karegaon. The dates of the survey in these villages will be informed to you separately.

Please note and take necessary precautions....

Thank you.
