**All the Member Industries of DCCIA Pune.**

**Subject: Benefits being provided by MSEDCL for single shift operations of the factory.**

Dear members,

We sincerely hope that every one of you have restarted the operations at your factory. However, it is possible that due to resource crunch / lack of orders, some of you maybe operating single shift only.

Under the new tariff orders effective from 1<sup>st</sup> April 2020, for the 1<sup>st</sup> time MSEDCL has introduced concessional rate of demand/ fixed charges for single shift operation of consumer.

Earlier such consumers were required to make payment of full demand charges.

We are enclosing herewith a detailed note from Mr. Sancheti, MSEDCL advisor of Chamber, on the above subject which is self-explanatory.

Members are advised to go through the note and take advantage of beneficial provisions introduced by MSEDCL for single shift operations.

**Thank you.**
