SUBJECT: COLLECTOR – PUNE ISSUES PROHIBITORY ORDERS ON PLYING OF HEAVY VEHICLES ON NAGAR ROAD DURING PEAK HOURS IN MORNING & EVENING.

Dear members,

As you may be aware that the traffic situation during peak hours (between 7.00am To 9.00am and 4.30pm To 7.00pm in evening) on Pune Nagar road has turned extremely bad during recent times wherein frequent traffic jams have become quite common. “DCCIA” has been taking up the matter regarding traffic congestions and accidents prevention on Nagar road with various authorities. One of the major recommendation of “DCCIA” was to prevent plying of heavy vehicles on Pune Nagar road, especially within Shikrapur Police jurisdiction covering Shikrapur Chakan road and other linking roads to Pune Nagar highway during peak hours in morning and evening.

We are pleased to inform the members that as a result of our concerted efforts “**Collector Pune**” has issued the prohibitory orders on **19th October 2022**, banning plying of heavy vehicles during peak hours in morning and evening on Pune Nagar road within Shikrapur Police jurisdiction. The scanned copy of the orders of Collector Pune is attached herewith for your perusal

We are quite hopeful that as a result of above prohibitory orders on plying of heavy vehicles during peak hours in morning & evening, the traffic congestion will ease out significantly on Pune Nagar Road. DCCIA will continue to make it's effort for improving the traffic situation on Pune Nagar Road.

Whilst on this we also place on record our sincere thanks to those of our members who have been sponsoring the Traffic Wardens at Wagholi Chowk on a regular basis.

Thanks & Regards

For Deccan Chamber Of Commerce Industries & Agriculture Pune.
