To,
All Member Industries of DCCIA Pune.

Subject:- GOM Order regarding Scrapping of DG Set manufactured prior to 2004 & Retro-fitting of Emission control device (RECD) in DG Set Manufactured subsequently.

Dear Members,

We are enclosing herewith copy of order from **“Government of Maharashtra” dated 02nd June 0223** on the captioned subject.

The above order will affect the Industries, specially MSMEs, in a big way due to the financial implications & otherwise. DCCIA is proposing to send a representation to GOM to grant more time for implementation due to various procedural constraints as well as to allow usage of such DG sets which comply with emission norms despite being of old vintage.

Members are requested to submit their suggestions latest by **31st July 2023** to enable us to draft a proper representation & submit it to GOM by first week of August 23.

Thanks&Regards,

For Deccan Chamber of Commerce Industries & Agriculture Pune.
